

Year 10/11 Extended Learning Timetable 2022-2023

Year	Monday	Tuesday	Wednesday	Thursday	Friday
10	Biology (10SCA/10SCB)	Biology (10SCC/10SCD)	Biology (10SCE/10SCF)	Option D Subject	English
	Chemistry (10SCC/10SCD)	Chemistry (10SCE/10SCF)	Chemistry (10SCA/10SCB)	Option C Subject	Maths
	Physics (10SCE/10SCF)	Physics (10SCA/10SCB)	Physics (10SCC/10SCD)		
	Option B Subject	Option A Subject			
	Monday	Tuesday	Wednesday	Thursday	Friday
11	Biology (11SCA/11SCB)	Biology (11SCC/11SCD)	Option A Subject	Biology (11SCE/11SCF)	Option B Subject
	Chemistry (11SCC/11SCD)	Chemistry (11SCE/11SCF)	English	Chemistry (11SCA/11SCB)	Maths
	Physics (11SCE/11SCF)	Physics (11SCA/11SCB)		Physics (11SCC/11SCD)	
	Option C Subject	Option D Subject			

Quantity:

- Students will be set homework once a week for Maths, English, Biology, Chemistry and Physics.
- Option subjects will set homework once per week during the double lesson.
- Personal Development will set homework as and when appropriate.
- PE will not set homework but will encourage students to attend extra-curricular activities.

Time:

We would expect each piece of Year 10/11 homework to take around 45 minutes to one hour to complete unless this is an extended project and set over several weeks.

Examples of Extended Learning:

Quizzes, Exam question practice, Extended Writing, 'Reading for Meaning' or a choice base of extended learning. All work will be in keeping with the curriculum content and syllabus. All homework will be set on Class Charts.

Learning Support:

The school library is open from 8am, all of lunch and we also offer a 3.05-4.00pm session after school on Tuesday and Thursday. All students are welcome and we will have a member of staff available to help you should you require it. All homework will be set on Class Charts charts and students must check this daily.

Failure to complete work would result in contact being made home and could also mean you are put into a GCSE catch up detention.
