	French			History	
	Monday	Tuesday	Wednesday	Thursday	Friday
<b>7PME</b>	Maths	Technology	English	Drama	Science
	IT	History	French	Music	Art
	German	RS			Geography

### **Quantity:**

- Students will have *one piece of work set each week* in Maths, English and Science. Sometimes this work may not be set on the allocated day but on a day that week which is more suitable for the learning.
- MFL and Geography will set weekly homework on the allocated day.
- Remaining subjects will set a minimum of twice a half term as appropriate to the learning of the lesson and on the allocated day.
- Personal Development will set homework as and when appropriate.
- PE will not set homework at KS3 but will encourage students to attend extra-curricular activities.

### **Time:**

We would expect each piece of Year 7 homework to take around 20-30mins to complete unless this is an extended project and set over several weeks.

### **Examples of Extended Learning:**

Quizzes, Extended Writing, 'Reading for Meaning' or a choice base of extended learning. All work will be in keeping with the curriculum content and syllabus.

### **Learning Support:**

The school library is open from 8am, all of lunch and we also offer a 3.05-4.00pm session after school on Tuesday and Thursday. All students are welcome and we will have a member of staff available to help you should you require it. All homework will be set on Class Charts charts and students must check this daily.

**\*Failure to complete work would result in contact being made home and could also mean you are put into detention.\***
