# How can I help

- Help them create a revision/homework timetable.
- Encourage them to do something everyday – the earlier they get started the better.
- Quiz them on their learning at school/home.
- Get them to teach you about what they have been learning.

# How can I help

- Good sleep routine
- Healthy diet
- Distraction free area to work in
- Encourage them to be active – exercise improves wellbeing
- Make sure they take regular breaks
- Unplug
- Be supportive
